

LAGOON IN BELLE ISLE PARK, DETROIT.

Will write you - Love Mrs. Herring.

Jan. 16, 1908. Dear Olive, I received the pretty card you sent me & thank you very much & the letter also. I saw Grandpa this evening, he told me that Aunt Hester died at 5 o'clock this morning. Didn't she send you a bible while I was at your house? Love from all to you & yours. Florence Farrell.
